INFORMATION AND NOTICE TO THE SHAREHOLDERS OF

UBAM – POSITIVE IMPACT EQUITY UBAM – POSITIVE IMPACT GLOBAL EQUITY

Luxembourg, 21 June 2024

Dear Shareholders,

The Board of Directors of UBAM informs you of the decision taken by circular resolution, i.e.:

The sub-fund UBAM – POSITIVE IMPACT EQUITY (the “Absorbed Sub-Fund”) will merge with the sub-fund UBAM – POSITIVE IMPACT GLOBAL EQUITY (the “Absorbing Sub-Fund”), the latter absorbing the former, in accordance with the type of merger described in article 1 point 20 a) of the law of 17th December 2010.

This merger is motivated by the fact that the Absorbing Sub-Fund’s broader geographical remit and investment universe provides better opportunities to achieve the financial and non-financial objectives than the Absorbed Sub-Fund which is focused on Europe.

Both Sub-Funds have, for most share classes, a similar summary risk level (SRI) (more details below in 3e) and the Absorbing Sub-Fund has a lower level of fees than the of the Absorbed Sub-Fund (see below 3b).

Both Sub-Funds are classified as Article 9 under the Sustainable Finance Disclosure Regulation (“SFDR”).

The merger will become effective on 31 July 2024 (the “Effective Date”).

The investment policies and objectives of the Absorbing and the Absorbed Sub-Funds differ as follows.

(a) *This share class being presently inactive, this number is an estimate.*

(b) *For Shareholders of the performance fee of the Absorbed Sub-Fund, a performance fee of 10% corresponding to a percentage of the Absorbed Sub-Fund's higher net return, respectively for each class in relation to the MSCI Europe Equity Net Return benchmark index, may be perceived by the Management Company of UBAM. If this difference is negative or equal to zero, the Sub-Fund will not pay any performance fee. To the present date, such difference is negative and the perception of such fee by the Management Company is highly unlikely. Should a performance fee be perceived before and/or up to the Merger, it will be crystallized in due proportions and in the best interests of shareholders before the occurrence of the Merger. The performance fee share classes of the Absorbing Sub-Fund work in the same way, but based on the MSCI AC World Net Return.*

Other fees charged to the Absorbing Sub-Fund are identical to those applied to the Absorbed Sub-Fund.

Part of the Absorbed Sub-Fund's assets will be sold by the Effective Date, while the remaining portion of such assets will be transferred to the Absorbing Sub-Fund on the same date. No significant or material rebalancing of the Absorbed Sub-Fund and Absorbing Sub-Fund portfolios are expected before the Merger (for the Absorbed Sub-Fund) and before and/or after the Merger (for the Absorbing Sub-Fund).

The contribution of the assets of the Absorbed Sub-Fund being done in compliance with the investment policy of the Absorbing Sub-Fund, the merger will have no negative impact on the performance and the composition of the Absorbing Sub-Fund's portfolio.

SRI = 5 for share classes AC USD, IC USD, ID USD, UC USD, YC USD and YD USD* SRI = 4 for all others active share classes	SRI = 4 for all active and inactive share classes (for inactive share classes, the SRI is estimated)

*: for those share classes, the Absorbing Sub-fund has a SRRI (4) lower than the one of the Absorbed Sub-Fund (5). This difference is due to a different level of volatility between the two Sub-Funds based on their respective historical performances.

The Absorbed Sub-Fund and the Absorbing Sub-Fund being 2 sub-funds of the same legal entity, their taxation is identical. The shareholders are however advised to seek information on the potential impact the planned merger may have on their personal taxation.

The cost of this merger will be borne by UBP Asset Management (Europe) S.A., Luxembourg.

As from the date of this notification and until the carrying out of the merger decision, (i) no shares of the Absorbed Sub-Fund will be issued but (ii) it shall continue to buy back its shares.

Shareholders of both the Absorbed Sub-Fund and the Absorbing Sub-Fund who do not agree with the merger can ask for the redemption of their shares free of charge until 1pm on 24 July 2024.

Shareholders of the Absorbed Sub-Fund who have not requested the redemption of their shares by 1pm on 24 July 2024 will be allocated corresponding shares of the Absorbing Sub-Fund according to the above table, and will be considered, starting from 31 July 2024, as shareholders of the Absorbing Sub-Fund, with the full rights associated with such status.

The calculation of the exchange ratio will be made on 31 July 2024 by dividing the net asset value (NAV) per share of the Absorbed Sub-Fund dated 30 July 2024 by the NAV of the corresponding share class of the Absorbing Sub-Fund dated 30 July 2024. The calculation of the exchange ratio will be checked by Deloitte Audit Sàrl, the auditors of UBAM.
