RISK FACTORS

Although the significant tax benefits available to Investors in Hargreave Hale AIM VCT 1 and Hargreave Hale AIM VCT 2 reduce the risk of the investment, prospective Investors should consider carefully the following risk factors. If any of the risks described below were to occur, it could have a material effect on each of the Companies' businesses, financial condition or results of operations. The risks described below are those specific to the Companies and all the material risks in respect of the New Ordinary Shares. The value of the New Ordinary Shares could decline due to any of the risk factors described below and prospective investors could lose part or all of their investment. This document does not constitute financial advice and prospective investors are recommended to consult an independent financial adviser authorised under the FSMA before deciding whether to apply for New Ordinary Shares under the terms of the Offers.

- An investment into Hargreave Hale AIM VCT 1 and Hargreave Hale AIM VCT 2 should be for a minimum of five years.
- Since the value of a VCT depends on the performance of the underlying assets, prospective Investors should be aware that the value of New Ordinary Shares, and the income from them, may go down as well as up. An Investor may not get back the amount originally invested.
- Past performance of the Companies and their investments is no indication of their future performance. The return received by Investors will be dependent on the performance of the underlying investments of the Companies. The value of such investments, and interest income and dividends there from, may rise or fall.
- Whilst it is the intention of the Directors that the Companies will be managed so as to continue to qualify as a VCT, there can be no guarantee that the status will be maintained. A failure to maintain the qualifying status could result in the Companies losing the tax reliefs previously obtained, resulting in adverse tax consequences for Investors. Possible adverse consequences include: a requirement to repay the 30% income tax relief for those who have not held their shares for five years; loss of income tax relief on dividends paid (or subsequently payable) by the Companies; loss of tax relief previously obtained in relation to corporation tax on capital gains made by the Companies; a liability to capital gains tax on the disposal of New Ordinary Shares; and the potential cancellation of the shares from the London Stock Exchange's Official List, which would require shareholder approval.
- Changes in legislation concerning VCTs in general, and Qualifying Investments and qualifying trades in particular, may restrict or adversely affect the ability of the Companies to meet their objectives and/or reduce the level of returns which would otherwise have been achievable. The levels and basis of, and relief from, taxation are those available for the 2015/16 tax year and are subject to change. Such changes could be retrospective. Those shown in this document are based upon current legislation, practice and interpretation. The tax reliefs for future tax years are subject to change and Investors should seek their own tax advice appropriate to their individual circumstances.
- The Finance Act 2014 includes a number of changes to the rules affecting VCTs. In particular, there is a restriction on income tax relief available on a subscription for shares in a VCT on or after 6 April 2014, where, the subscription and sale are within six months of each other (regardless of whichever happens first) or either the subscription or sale of the shares was conditional on the other. The rules can also apply to subscriptions or sales in a successor or predecessor VCT following a merger. The amount on which income tax relief is available is reduced by the amount of the consideration given for the sale.
- The Finance (No.2) Act 2015 introduced changes to the VCT rules which have placed greater restrictions on the range of investments into which the Company can deploy funds. As a result the Company must generally invest in businesses which are less than seven years old and VCT funds cannot be used to finance acquisitions by investee companies. The penalty for breaching these new rules is loss of VCT status, so the Company and its investors may face a higher risk

of the loss of tax benefits than under the previous rules.

- A VCT is restricted from making a payment or distribution to shareholders from the capital it has raised. The restriction applies until the third anniversary of the end of the accounting period in which the share capital is issued. If the VCT infringes the restriction, it may have its approved status withdrawn. The restriction does not apply to share capital issued before 6 April 2014, and does not limit the VCT's ability to pay dividends from realised profits or to redeem or repurchase shares or to distribute assets in the course of a winding up.
- The maximum annual amount that can be invested in an individual company per year is £5 million. This investment limit extends beyond VCTs and includes all other sources of State-aided risk capital. A breach of this limit may lead to HMRC withdrawing the Companies' status as a VCT with potentially adverse tax consequences, including the claw back of the 30% income tax relief from those investors who have not held their shares for five years.
- In April 2013, the FCA published a policy statement on payments to platform service providers and cash rebates from providers to consumers (PS 13/1). These rules came into force on 6 April 2014. The FCA has raised the possibility of applying similar restrictions on payments to non-platform service providers but has not published any firm proposals on this to date. If the FCA were to introduce rules restricting payments to non-platform firms, this could have an impact on the demand for shares in the Companies.
- It is possible for Investors to lose their tax reliefs by themselves taking or not taking certain steps, and Investors are advised to take their own independent financial advice on the tax aspects of their investment.
- Although the Ordinary Shares are listed on the Official List and are admitted to trading on the London Stock Exchange, and the New Ordinary Shares will be listed on the Official List and admitted to trading on the London Stock Exchange, it is likely that there may not be a liquid market in the New Ordinary Shares and Shareholders may have difficulty in selling them, primarily because the initial income tax relief

is only available to those subscribing for newly issued shares. The Ordinary Shares usually trade at a discount to the Net Asset Value of the Companies. The Directors intend, subject to liquidity, the Listing Rules, the Prospectus Rules, the Act and VCT regulations, to pursue a policy of purchasing Ordinary Shares in the market in order to facilitate liquidity for Ordinary Shareholders and to manage the level of the discount to NAV at which the Ordinary Shares may be trading. The Companies endeavour to facilitate such sales at a price which represents a discount of no more than 5% to the last published NAV of the relevant Company. However, the Directors reserve the right to suspend or amend the buy-back policy in certain circumstances.

- Where the European Commission believe that State aid has been provided which is not in accordance with the Risk Finance Guidelines, they may require that the UK Government recovers that State Aid. There is currently no mechanism in place for this, but recovery may be from the investee company, the VCT or the VCT's investors.
- The Articles of Association of each Company provide that Shareholders will vote at the annual general meetings of each Company to be held in 2021 as to whether the Companies are to continue as VCTs. It is proposed that this be extended to 2022 by resolution at each Company's general meeting convened for 12 January 2016. In the event that such resolutions are rejected for either Company, and the relevant Shareholders vote for one or more of the Companies not to continue as a VCT, proposals could be implemented such that Shareholders would not be able to achieve the minimum five-year holding period for their Shares and which would result in the loss of the tax reliefs as further explained in Part 5 (What is a VCT?), below.

LETTER FROM THE CHAIRMEN

DEAR INVESTOR,

The Offers

Following the success of the 2014-2015 offer in which £20m was raised for Hargreave Hale AIM VCT 1 and Hargreave Hale AIM VCT 2, we are pleased to launch a further offer for subscription to raise £25m. The Offers will provide both Companies with additional capital to invest in small British companies whilst improving their long term viability and further reducing their Ongoing Expenses Ratio, already one of the lowest in the VCT industry. It will also allow new and existing Investors to invest in small companies through a tax efficient structure with an award winning fund management team.

The Offers will remain open until 12pm on 5 April 2016 for investors seeking tax relief in the 2015/16 tax year and 12pm on 16 November 2016 for investors seeking tax relief in the 2016/17 tax year, unless the Companies are fully subscribed at an earlier date.

Investment policies

The Hargreave Hale AIM VCTs operate under a common investment policy. The objective is to make tax-free dividend distributions from capital gains and income generated through investment in diversified portfolios of investments in small UK companies.

Both VCTs are predominantly invested in Qualifying Companies that are listed on AIM. However, they also include a limited number of Qualifying Investments in private companies. Hargreave Hale will also make Non-Qualifying Investments in other equities, fixed income and the Marlborough Special Situations Fund.

Tax Benefits

Investors who pay income tax in the United Kingdom should be able to claim up to 30% income tax relief at the point of investment provided they pay sufficient income tax to offset against the claim for income tax relief claim and commit to holding their shares for at least 5 years. Other tax reliefs available to investors include an exemption from income tax on any dividend distributions made by the VCTs and an exemption from capital gains tax on disposal of their shares. Investors should note that VCT investments are not loss allowable for the purposes of capital gains tax. Tax reliefs can be subject to change and are dependent on an individual's circumstances; we encourage Investors to consult their accountant or financial adviser and confirm their suitability before proceeding with an investment.

Annual Reports

Hargreave Hale AIM VCT 1's annual report and accounts are made up to 30 September in each year and are normally published in December, whilst Hargreave Hale AIM VCT 2's annual report and accounts are made up to 28 February in each year and are normally published in June.

The first report to be sent to Investors in Hargreave Hale AIM VCT 1 after the close of the Offer will be the audited annual accounts for the year ending 30 September 2016. For Hargreave Hale AIM VCT 2, the first report to be sent to Investors after the close of the Offer will be the audited annual accounts for the year ending 28 February 2017.

The Life of the Companies

Although the Hargreave Hale VCTs are 'evergreen' VCTs, the Companies' constitutions provide that shareholders should have a continuation vote every 5 years. This vote is currently scheduled to take place at each Company's Annual General Meeting in 2021. At the general meeting of each Company convened for 12 January 2016, we will be asking shareholders to vote on an extension of this deadline until the Annual General Meetings in 2022.

This securities note is one of three parts of the prospectus. Please ensure you read the Summary and Registration Document in full before completing the Application Form attached to this document. These can be found on our new website (www.hargreaveaimvcts.co.uk). If you would like to discuss the offer further, please direct your enquiries to Hargreave Hale on 0207 009 4900.

WHAT IS A VCT?

INTRODUCTION

A Venture Capital Trust is a company, broadly similar to an investment trust, which has been approved by HMRC and which subscribes for shares in (or lends money to) small unquoted companies, including those quoted on AIM. VCTs and their investors enjoy certain tax reliefs. In return for these tax reliefs, HMRC requires each VCT to comply with complex legislation that restricts the Company's investment activity to a tightly defined group of small UK companies.

TAX RELIEFS FOR VCT INVESTORS RESIDENT IN THE UK

The tax position of individual investors in VCTs is summarised below. Investors should take tax advice from a professional adviser ahead of their investment. The tax reliefs are restricted to a maximum investment of £200,000 in any single tax year.

■ Income Tax

■ *Relief from income tax on investment*

Investors who subscribe for new shares can claim income tax relief at the rate of 30% of their investment, subject to the £200,000 maximum or, if lower, that amount that reduces their income tax liability to nil.

Income tax relief is restricted if, within 6 months of the subscription for shares in a VCT (before or after), the investor has disposed of shares in that VCT. Investors who hold their VCT shares for less than 5 years may have to repay some or all of their 30% income tax relief.

■ *Dividend tax relief*

Investors will not be liable for income tax on dividends paid by the VCT. Dividend tax relief can be claimed on VCT shares purchased through the secondary market as well as through a new share issue.

■ *Withdrawal of relief*

Relief from income tax on a subscription for VCT shares will be withdrawn if the VCT shares are disposed of (other than between spouses or in the event of death) within five years of issue or if the VCT loses its approval within this period.

■ Capital gains tax

A disposal by an Investor of Ordinary Shares will give rise to neither a chargeable gain nor an allowable loss for the purposes of UK capital gains tax.

Capital gains tax relief can be claimed on VCT shares purchased through the secondary market.

Example effect of initial income tax relief

Cost of Investment	100p
Cost of investment net of tax relief	70p
Initial Net Asset Value	97p
Initial Uplift	39.0%

OBTAINING TAX RELIEFS

Hargreave Hale will issue tax certificates to Investors. These can be used to claim income tax relief through an immediate adjustment to an Investor's tax coding from HMRC or through the end of year tax return.

CATEGORY OF POTENTIAL INVESTORS

VCTs are not suitable for every category of investor. The Offers are designed for individuals over 18 years of age who:

- pay UK income tax;
- can invest between £5,000 and £200,000 per tax year;
- can tolerate a high level of investment risk;
- can accept a minimum holding period of five years.

Before deciding whether to subscribe for New Ordinary Shares, Investors are strongly encouraged to consult an independent adviser authorised under FSMA and to carefully consider the suitability of an investment into the Companies in light of their personal circumstances.

VCTs' OBLIGATIONS

VCTs must:

- have 70% of all funds raised from the issue of shares invested in Qualifying Investments throughout accounting periods of the VCT beginning no later than three years after the date on which those shares are issued;
- have at least 70% by value of Qualifying Investments in Eligible Shares;
- have no more than 15% by value of its investments in a single company (by book cost at the date of investment);
- not retain more than 15% of its income derived from shares and securities in any accounting period.

VCTs must not:

- make an investment in any company that:
 - has (as a result of the investment) received more than £5 million from State Aid investment sources in the 12 month period prior to the investment;
 - has (as a result of the investment) received more than £12 million from State Aid investment sources in its lifetime (or £20 million for Knowledge Intensive Companies);
 - has been generating commercial revenues for more than 7 years (or 10 years for Knowledge Intensive Companies);
 - will use the investment to fund an acquisition of another company (or its trade and assets).
- return capital to shareholders before the third anniversary of the end of the accounting period during which the subscription for shares occurs.

QUALIFYING INVESTMENTS

A Qualifying Investment consists of new shares or securities issued directly to the VCT by a Qualifying Company that at the point of investment:

- has gross assets of less than £15 million prior to investment and £16 million post investment;
- undertakes a Qualifying Trade;
- is a private company or is listed on AIM or ISDX;
- has a permanent UK establishment;
- will deploy the money raised for the purposes of a Qualifying Trade within 2 years;
- has less than 250 employees (or less than 500 employees in the case of certain knowledge-

intensive businesses);

- has not been set up for the purpose of accessing tax reliefs or is in substance a financing business.

APPROVAL AS A VCT

A VCT must be approved at all times by HMRC. A VCT cannot be approved unless the tests detailed above are met throughout the most recent complete accounting period of the VCT and HMRC is satisfied that they will be met in relation to the accounting period of the VCT which is current when the application is made.

The Directors intend to conduct the affairs of the Companies so that they satisfy the conditions for approval as VCTs and that such approval will be maintained. HMRC has granted the Companies approval under section 274 ITA as VCTs. The Companies intend to comply with section 274 ITA and have retained Philip Hare & Associates LLP to advise them on VCT taxation matters.

WITHDRAWAL OF APPROVAL

Approval of a VCT may be withdrawn by HMRC if the various tests set out above are not satisfied. Withdrawal of approval generally has effect from the time when notice is given to the VCT but, in relation to capital gains of the VCT only, can be backdated to not earlier than the first day of the accounting period commencing immediately after the last accounting period of the VCT in which all of the tests were satisfied.

The above is only a summary of the conditions to be satisfied for a company to be treated as a VCT.

POLICIES AND STRATEGY

INVESTMENT OBJECTIVES

The Companies' investment objectives are:

- to invest in a diversified portfolio of small UK based companies on a high risk, medium term capital growth basis, primarily being companies which are traded on AIM and which have the opportunity for significant value appreciation;
- to invest in smaller companies which may not be readily accessible to private individuals and which also tend to be more risky;
- to maximise distributions to shareholders from capital gains and income generated from the Companies' funds;
- targeted investment in equities which are non-qualifying investments on an opportunistic basis; and
- to maintain the Companies' exposure to small companies through an initial investment of new capital into the Marlborough Special Situations Fund pending investment into Qualifying Companies.

INVESTMENT STRATEGY

The Investment Manager and the Companies have adopted the following strategy to implement the investment policies of the Companies (the full text of which is set out in the Registration Document):

Qualifying Investments

The Investment Manager will **primarily focus on investments in companies with a quotation on AIM** or plans to trade on AIM. The Investment Manager prefers to participate in secondary issues of companies that are quoted on AIM as such companies have an established track record that can be more readily assessed and greater disclosure of financial performance.

The Investment Manager will follow **a stock specific investment approach** and is more likely to provide **growth and development capital** than seed capital.

Although VCTs are required to invest and maintain a minimum of 70% of their funds invested in Qualifying Investments as measured by the VCT rules, it is likely that Hargreave Hale will target a higher threshold of approximately 80% in order to provide some element of protection against an inadvertent breach of the VCT rules.

Whilst tax legislation limits each Company's maximum exposure to a single Qualifying

Investment to 15% of net assets (at book cost), Hargreave Hale's preference for portfolio diversification means that **Qualifying Investments typically vary from 1-3% of net assets at book cost** and rarely exceed 5% of net assets at book cost.

Although Hargreave Hale prefers to maintain successful investments for the long term, it actively manages its portfolio risk through partial disposals. **In most instances, single company exposure is limited to approximately 5% of net assets** at market value, although on occasion this may run higher.

Non-Qualifying Investments

The Companies will **have non-qualifying equity exposure to UK and international equities**. This will vary between nil and 30% of the net assets of the Companies and will reflect the Investment Manager's view of equity market risk. The Investment Manager will also invest in gilts, other fixed income securities and cash.

Subject to a maximum of 20% of the gross assets of each Company, **the Investment Manager will invest up to 75% of the net proceeds of the Offers into the Marlborough Special Situations Fund** to maintain the portfolio exposure to small companies whilst the Investment Manager identifies opportunities to invest directly into small UK companies through a suitable number of Qualifying Investments.

RISK MANAGEMENT

The structure of the Companies' investment portfolios and their investment strategies have been developed to mitigate risk where possible.

- Both Companies have **broad portfolios of investments** to reduce stock specific risk.
- **Flexible allocations** to non-qualifying equities, the Marlborough Special Situations Fund, fixed interest securities and bank deposits allow the Investment Manager to **adjust portfolio risk without compromising liquidity**.
- Regular company meetings aid the **close monitoring of investments** to identify potential risks and allow corrective action where possible.
- Regular board meetings and dialogue with the Directors, along with policies to control Conflicts of Interests and co-investment with the Marlborough fund mandates, support **strong governance**.

Quarterly risk reports provide an oversight of potential vulnerabilities such as the concentration of balance sheet risk, earnings risk, valuation risk and liquidity.

SHARE BUY-BACK HISTORY AND MANAGEMENT OF SHARE LIQUIDITY

In order to improve the liquidity in the Ordinary Shares of both Companies, each Board has established share buy-back policies whereby each Company will purchase Ordinary Shares for cancellation.

- Targets a 5% discount to the Net Asset Value per share to improve shareholder returns.
- Established track record with more than 13 million shares acquired through share buy backs and a further 5 million shares acquired through a tender offer.
- 3 year average share price discount of 5.1% to the Net Asset Value per share of Hargreave Hale AIM VCT 1 and 5.2% for Hargreave Hale AIM VCT 2.

Share buy-backs are subject to the Act, the Listing Rules and tax legislation, which may restrict the Companies' ability to buy Shares back. The policy is non-binding and at the discretion of the VCT Boards.

DIVIDENDS

DIVIDEND POLICY

Both Companies have established dividend policies that target a tax free dividend yield equivalent to 5% of the year end Net Asset Value.

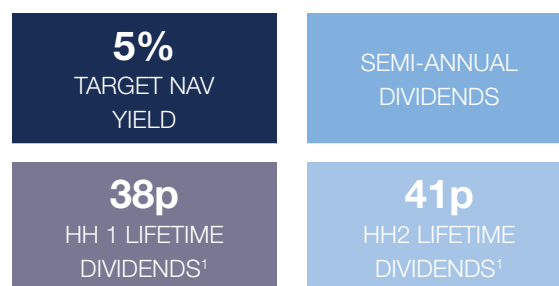

- Established track record.
- Semi-annual distributions.
- Distributions will vary with investment performance.

The ability to pay dividends is also dependent on the VCTs' available reserves and cash resources, the Act and the Listing Rules. The policy is non-binding and at the discretion of the VCT Boards. Dividend payments may vary from year to year in both quantum and timing. In good years, the Directors may consider a higher dividend payment; in poor years, the Directors may reduce or even pay no dividend.

7. The City Code

7.1 *Mandatory takeover bids*

The City Code on Takeovers and Mergers (the “Code”) applies to all takeover and merger transactions in relation to the Companies, and operates principally to ensure that shareholders are treated fairly and are not denied an opportunity to decide on the merits of a takeover, and that shareholders of the same class are afforded equivalent treatment. The Code provides an orderly framework within which takeovers are conducted and the Panel on Takeovers and Mergers has now been placed on a statutory footing. The Takeovers Directive was implemented in the UK in May 2006 and since 6 April 2007 has effect through the Act. The Directive applies, *inter alia*, to takeovers of companies which have their securities admitted to trading on a regulated market in the EU or EEA.

The Code is based upon a number of General Principles which are essentially statements of standards of commercial behaviour. General Principle One states that all holders of securities of an offeree company of the same class must be afforded equivalent treatment and if a person acquires control of a company the other holders of securities must be protected. This is reinforced by Rule 9 of the Code which requires a person, together with persons acting in concert with him, who acquires shares carrying voting rights which amount to 30% or more of the voting rights to make a general offer. “Voting rights” for these purposes means all the voting rights attributable to the share capital of a company which are currently exercisable at a general meeting. A general offer will also be required where a person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights, acquires additional shares which increase his percentage of the voting rights. Unless the Panel consents, the offer must be made to all other shareholders, be in cash (or have a cash alternative) and cannot be conditional on anything other than the securing of acceptances which will result in the offeror and persons acting in concert with him holding shares carrying more than 50% of the voting rights.

There are not in existence any current mandatory takeover bids in relation to the Companies.

7.2 *Squeeze out*

Section 979 of the Act provides that if, within certain time limits, an offer is made for the share capital of either Company, the offeror is entitled to acquire compulsorily any remaining shares if it has, by virtue of acceptances of the offer, acquired or unconditionally contracted to acquire not less than 90% in value of the shares to which the offer relates and in a case where the shares to which the offer relates are voting shares, not less than 90%, of the voting rights carried by those shares. The offeror would effect the compulsory acquisition by sending a notice to outstanding shareholders telling them that it will compulsorily acquire their shares and then, six weeks from the date of the notice, pay the consideration for the shares to the relevant Company to hold on trust for the outstanding shareholders. The consideration offered to shareholders whose shares are compulsorily acquired under the Act must, in general, be the same as the consideration available under the takeover offer.

7.3 *Sell out*

Section 983 of the Act permits a minority shareholder to require an offeror to acquire its shares if the offeror has acquired or contracted to acquire shares in either Company which amount to not less than 90%, in value of all the voting shares in the relevant Company and carry not less than 90%, of the voting rights. Certain time limits apply to this entitlement. If a shareholder exercises its rights under these provisions, the offeror is

bound to acquire those shares on the terms of the offer or on such other terms as may be agreed.

8. Offer Agreement

- 8.1 Under the Offer Agreement dated on or around 1 December 2015 and made between the Companies (1), the Directors (2), the Sponsor (3), and the Investment Manager (4), the Sponsor has agreed to act as sponsor to the Offers and the Investment Manager has undertaken as agent of the Companies to use its reasonable endeavours to procure subscribers under the Offers. Under the Offer Agreement, the Companies will pay the Investment Manager a commission of 3.5% of the aggregate value of accepted applications for Ordinary Shares received pursuant to the Offers. Out of this fee, the Investment Manager will pay all other costs and expenses of or incidental to the Offers.
- 8.2 Under the Offer Agreement, which may be terminated by the parties in certain circumstances, the Investment Manager, the Companies and the Directors have given certain warranties and indemnities to the Sponsor. Warranty claims must be made by no later than 3 months after the second annual general meeting of the relevant Company following the closing date of the Offers at which Shareholders approve the relevant Company's accounts or by the date the relevant Company is subject to a takeover. The warranties and indemnities are in usual form for a contract of this type and the warranties are subject to limits of the lesser of (i) £10 million or (ii) the total proceeds of the Offers for the Investment Manager and in respect of the Directors one year's director fees for each Director. The Companies have also agreed to indemnify the Sponsor in respect of its role as Sponsor and under the Offer Agreement. - (f) No person receiving a copy of this document or an Application Form in any territory other than the United Kingdom may treat the same as constituting an invitation or offer to him, nor should he in any event use such Application Form unless, in the relevant territory, such an invitation or offer could lawfully be made to him or such Application Form could lawfully be used without contravention of any registration or other legal requirements. It is the responsibility of any person outside the United Kingdom wishing to make an application hereunder to satisfy himself as to full observance of the laws of any relevant territory in connection therewith, including obtaining any requisite governmental or other consents, observing any other formalities requiring to be observed in such territory and paying any issue, transfer or other taxes required to be paid in such territory.
- (g) The Ordinary Shares have not been and will not be registered under the United States Securities Act 1933 (as amended) and, subject to certain exceptions, the Ordinary Shares may not be offered, sold, renounced, transferred or delivered, directly or indirectly, in the United States or to any person in the United States. Persons subscribing for Ordinary Shares shall be deemed, and (unless the Companies are satisfied that their respective Ordinary Shares can be allotted without breach of United States securities laws) shall be required, to represent and warrant to the Companies that they are not a person in the United States and that they are not subscribing for such Ordinary Shares for the account of any such person and will not offer, sell, renounce, transfer or deliver, directly or indirectly, such Ordinary Shares in the United States or to any such person. As used herein, "United States" means the United States of America (including each of the States and the District of Columbia), its territories or possessions or other areas subject to its jurisdiction. In addition, the Companies have not been and will not be registered under the United States Investment Company Act of 1940, as amended. The Investment Manager is not registered under the United States Investment Advisers Act of 1940, as amended.
- (h) Investors will be separately liable for any Adviser Charges that they have agreed with their Financial Intermediary and no Company shall have any responsibility to any Investor or Financial Intermediary in respect of any such Adviser Charge. Any facilitation of the payment of such Adviser Charge by a Company shall be subject to the Application Form and in particular to the Terms and Conditions of the Adviser Charge Agreement. To the extent that an Investor wishes the Company to facilitate the payment of any Adviser Charge, such Investor should complete the relevant sections of the Application Form, in which case the Terms and Conditions of the Adviser Charge Agreement shall apply.
- (i) If no advice has been provided by an authorised Financial Intermediary to an Investor in respect of his application for New Ordinary Shares, Hargreave Hale is offering to pay introductory commission to authorised financial intermediaries at the rate of 1% on the value of successful applications submitted through them or introductory commission of 0.5% plus trail commission (as agreed between the intermediary and Hargreave Hale). The introductory commission may be waived by joint agreement between Hargreave Hale and the financial intermediaries and reinvested by them on behalf of their clients through an additional allotment of New Ordinary Shares (the waiver may be in part or in whole). If financial intermediaries and Hargreave Hale agree to waive and reinvest introductory commission on behalf of their clients through an additional allotment of New Ordinary

Shares then the application for New Ordinary Shares pursuant to the Offers will be increased by the amount of introductory commission waived and the enlarged application will be applied in subscribing for New Ordinary Shares at the relevant Offer Price through the Offers. No further fees or commission will be paid in respect of such additional New Ordinary Shares.

- (j) The Companies (after consultation with Hargreave Hale) may change their arrangements in respect of Adviser Charges and the availability and terms of commission payable through an announcement to the London Stock Exchange through a Regulatory Information Service Provider authorised by the FCA applicable to applications received on or after a specified date. The Company may also provide or publish one or more amended application forms to the Application Form set out in this document pursuant to which applications under the Offers will be accepted.
- (k) Where commission is payable, Hargreave Hale will collate the Application Forms bearing the financial intermediaries' stamps and full address details and calculate and pay the introductory commission payable, and also calculate the trail commission payable by Hargreave Hale.
- (l) If the Companies are required to publish a supplementary prospectus, subscribers who have yet to be entered on to the Companies' register of members will be given two working days to withdraw from their application. In the event that notification of withdrawal is given by post, such notification will be effected at the time the subscriber posts such notification rather than at the time of receipt by the Companies.
- (m) In the event that applications are received for an amount in excess of the Maximum Subscription, the Directors reserve the right to exercise their discretion in the allocation of successful applications although the allocation will usually be on a first come first served basis. The right is also reserved to reject in whole or in part any application or any part thereof and to treat as valid any application not in all respects completed in accordance with the instructions relating to the Application Form.
- (n) Save where the context otherwise requires, words and expressions defined in this document have the same meaning when used in the Application Form and any explanatory notes in relation thereto.

Lodging of Application Forms and Dealing Arrangements

The Offers will open on 1 December 2015, subject to the conditions set out above. The first allotment under the Offers is expected to be on or before 22 December 2015. Thereafter, the Directors reserve the right to allot Ordinary Shares at any time whilst the Offers remain open.

The closing date for the Offers in respect of the 2015/16 tax year will be at 12.00 p.m. on 5 April 2016. If the Offers are not fully subscribed at that time, the Directors reserve the right to allow the Offers to remain open for at least part of the 2016/17 tax year, but not beyond 12.00 p.m. on 16 November 2016.

The results of the Offers will be announced through a regulatory information service within 3 business days of the closing of the Offers. Dealings in New Ordinary Shares are expected to commence within 10 business days of the relevant allotments.

Completed Application Forms together with the appropriate remittance must be posted or delivered by hand to Hargreave Hale Limited, 9-11 Neptune Court, Hallam Way, Blackpool, Lancashire FY4 5LZ.

The minimum subscription per Investor is £5,000 in respect of the Offers (and from this amount no less than £2,500 may be invested in each Company if the subscription is to be split equally or otherwise between both Companies). Applications in respect of less than £5,000 in aggregate will not be accepted. The Offer Price will be calculated by reference to the Pricing Formula (calculated in pence to two decimal places). Monies which are not sufficient to buy one New Ordinary Share will not be returned to applicants but will be retained by the relevant Company and fractions of New Ordinary

Shares will not be issued. The New Ordinary Shares to be issued pursuant to the Offers will rank *pari passu* with the existing Ordinary Shares of the relevant Company.

In the case of Investors requesting share certificates, it is intended that definitive share certificates will be despatched within 15 business days of allotment. Prior to despatch of definitive share certificates, transfers will be certified against the register. No temporary documents of title will be issued. Dealings prior to receipt of share certificates will be at the risk of applicants. A person so dealing must recognise the risk that an application may not have been accepted to the extent anticipated or at all.

Investors who wish to take advantage of the ability to trade in New Ordinary Shares in uncertificated form, and who have access to a CREST account, may arrange to have their shares allotted directly to their CREST account, or subsequently to convert their holdings into dematerialised form in CREST. Share certificates may be registered directly to an Investor's nominee company and deposited to CREST, however, applications must be made in the name of the Investor, rather than that of the nominee company. Investors should be aware that New Ordinary Shares delivered in certificated form are likely to incur higher dealing costs than those in respect of New Ordinary Shares held in CREST. The Company's share register will be kept by Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA.

Money Laundering Notice

To ensure compliance with the Money Laundering Regulations 2007, Hargreave Hale may at their absolute discretion require verification of identity from any person lodging an Application Form in an amount greater than £10,000 (or if the application is one of a series of linked applications, the value of which exceeds that amount). If within a reasonable period of time following a request for verification of identity and in any case by no later than 12.00 p.m. on the relevant date of allotment Hargreave Hale have not received evidence satisfactory to them as aforesaid, the Companies with the agreement of Hargreave Hale may, at their absolute discretion, reject any such application in which event the remittance submitted in respect of that application will be returned to the applicant at the risk of the person entitled thereto (without prejudice to the rights of the Companies to undertake proceedings to recover any loss suffered by them as a result of the failure to produce satisfactory evidence of identity). Applicants warrant that any information supplied to Hargreave Hale for the purpose of the Money Laundering Regulations 2007 is true and accurate.

SECTION 5: DIVIDEND PAYMENTS

SECTION 6: FINANCIAL ADVICE

Please indicate whether you have received financial advice in connection with your application for New Ordinary Shares and proceed to Section 7 or Section 8 accordingly. If you have received financial advice, you should ask your Financial Intermediary to complete Section 11.

SECTION 7: ADVISER CHARGES

Commission is no longer able to be paid to financial intermediaries in respect of advised sales of retail investment products sold to retail investors in the UK. Therefore if your Financial Intermediary provides you with advice in respect of this application for New Ordinary Shares, neither Hargreave Hale nor the Companies will pay commission to your Financial Intermediary. Instead, your Financial Intermediary will

need to agree an Adviser Charge with you which you will be responsible for paying. Hargreave Hale can, however, facilitate the payment of an Adviser Charge on your behalf so that you do not have to make a separate payment to your Financial Intermediary. The remuneration will be an Adviser Charge for advice provided to you in relation to the Companies and this charge will be withdrawn from the funds the Companies receive from you. This is what is meant by facilitating the payment of this charge from the Company and the facilitation service is subject to the terms and conditions set out in the Terms and Conditions of the Adviser Charge Agreement. You will need to discuss and agree the amount and method of paying any Adviser Charge with your Financial Intermediary.

The Adviser Charge is treated separately to your investment and will not attract any income tax relief. By way of example, you can apply to make an investment of £10,000 (Box A of Section 3) and pay an Adviser Charge of £200 (Box B at Section 7), which will require a cheque from you for £10,200 (Box C at Section 8).

Alternatively, you can submit a cheque for £10,000 (Box C at Section 8), of which £9,800 (Box A at Section 3) will be invested in new Ordinary Shares (and therefore attract income tax relief) and £200 (Box B at Section 7) will be paid to your Financial Intermediary as an Adviser Charge.

Payments of Adviser Charges on behalf of Investors will be paid by the Companies only in respect of the amount stated in Box B in Section 7. The Terms and Conditions of the Adviser Charge Agreement will apply. In addition, no payment will be made by the Companies unless the relevant application is successful and the Companies are in receipt of sufficient cleared funds from Investors in the amount set out in Box C in Section 8 (which must comprise an aggregate of the amounts set out in Box A and Box B in Sections 3 and 7).

If you require Hargreave Hale to facilitate the payment of any such Adviser Charge on your behalf please complete the third box in this Section 7 and specify the amount (in pounds sterling) of the Adviser Charge that you require the Companies to pay on your behalf in Box B in this Section 7. The Terms and Conditions of the Adviser Charge Agreement will apply and, by completing the third Box of Section 7 and signing the Application Form you are agreeing to the Terms and Conditions of the Adviser Charge Agreement. You will also need to ask your Financial Intermediary to complete the relevant parts of Section 11.

Please note that the Adviser Charge that you are instructing Hargreave Hale to pay should relate to such advice or services provided to you by your Financial Intermediary in connection with the relevant Company only. Hargreave Hale will only accept instructions from you to facilitate the payment of the Adviser Charge from the Company to your Financial Intermediary by using Application Form unless it agrees otherwise at its absolute discretion.

The Terms and Conditions of the Adviser Charge Agreement are set out below and are important. You should take time to read them before you sign and complete Section 7 of the Application Form. If you are uncertain about any aspect of the Terms and Conditions of the Adviser Charge Agreement or how to complete the Application Form, you should discuss this with your Financial Intermediary or any other professional adviser acting on your behalf.

SECTION 8: FINAL CONSIDERATION

The total amount payable by you will be the aggregate of the amounts set out in Box A in Section 3 and (if applicable) the amounts set out in Box B in Section 7. Please complete this total amount in pounds sterling in Box C in Section 8. Payment by you must be in respect of this amount.

SECTION 9: PAYMENT OPTIONS

Your cheque or bankers' draft must be payable to "Joint Offer Account of the HH AIM VCTs" and should be crossed "A/C Payee". Receipt of your application will be acknowledged within a day of its having been received. Your cheque or bankers' draft must be drawn in sterling on an account at a bank, and must

bear the appropriate sort code number in the top right hand corner. The right is reserved to reject any application.

Please quote your surname as a reference when making any electronic payment.

Money Laundering Regulations

It is a term of the Offers that, to ensure compliance with the Money Laundering Regulations 2007, Hargreave Hale may at their absolute discretion require verification of identity from any person lodging an Application Form in an amount greater than £10,000 (or if the application is one of a series of linked applications, the value of which exceeds that amount).

If within a reasonable period of time following a request for verification of identity and in any case by no later than 12.00 p.m. on the relevant date of allotment Hargreave Hale have not received evidence satisfactory to them as aforesaid, the Companies with the agreement of Hargreave Hale may, at their absolute discretion, reject any such application in which event the remittance submitted in respect of that application will be returned to the applicant (without prejudice to the rights of the Companies to undertake proceedings to recover any loss suffered by them as a result of the failure to produce satisfactory evidence of identity). Hargreave Hale reserves the right to undertake electronic identity checks on applicants.

Applicants should make payment by their own cheque, banker's draft or by electronic transfer. Third party payments will not be accepted.

The above information is provided by way of guidance to reduce the likelihood of difficulties, delays and potential rejection of an Application Form (but without limiting Hargreave Hale's right to require verification of identity as indicated above).

SECTION 10: SIGNATURE

Please sign and date the Application Form in Section 10. The Application Form may be signed by someone else on your behalf, if duly authorised by power of attorney to do so. Any power of attorney pursuant to which the Application Form is signed (or a duly certified copy thereof) must be enclosed for inspection.

SECTION 11: AUTHORISED FINANCIAL INTERMEDIARIES

Intermediaries who wish to receive payment for applications from the Companies in accordance with this section should complete Section 11a and stamp it, giving their full name and address, telephone number and FCA number. Intermediaries will also need to arrange for signature by an authorised signatory at Section 11g to confirm that (i) the information provided by the intermediary is correct (ii) it acknowledges and agrees to the Terms and Conditions of the Adviser Charge Agreement (to the extent applicable) and (iii) if applicable, it agrees to the rebate of commission as indicated by it at Section 11d of the Application Form.

The right is reserved to withhold payment to any financial adviser if Hargreave Hale is not, in its sole discretion, satisfied that the agent is so authorised.

Intermediaries should keep a record of Application Forms submitted bearing their stamp to substantiate any claim for payment. Claims for payment must be made and substantiated on submission of an Application Form.

Adviser Charges

If an Investor's Financial Intermediary provides him with advice in respect of his investment in New Ordinary Shares, the Investor may have agreed to pay an Adviser Charge to such Financial Intermediary, which the Investor will be responsible for paying. Where applicable, Financial

Intermediaries should complete the second box in this Section 11b. The Companies may facilitate the payment of an Adviser Charge by paying it direct to authorised Financial Intermediaries on behalf of Investors. The remuneration will be an Adviser Charge for advice provided to the Investor in relation to the Companies and this charge will be withdrawn from the funds the Companies receive from the Investor. This is what is meant by facilitating the payment of this charge from the Company and the facilitation service is subject to the Terms and Conditions of the Adviser Charge Agreement. Further details are set out at Section 7 above.

Commission

If no advice has been provided by a financial intermediary to an Investor in respect of his application for New Ordinary Shares then authorised Financial Intermediaries should complete the first box in Section 11b.

If this applies Hargreave Hale is offering to pay introductory commission to authorised Financial Intermediaries at the rate of 1% on the value of successful applications submitted through them or introductory commission of 0.5% plus trail commission (as agreed between the intermediary and Hargreave Hale). Introductory commission will only be paid in respect of successful applications and only on the amounts set out in Box A in Section 3.

If Financial Intermediaries choose to receive introductory commission at the rate of 1% on the value of successful applications submitted through them they should complete the relevant box in Section 11c.

If Financial Intermediaries choose to receive introductory commission at the rate of 0.5% on the value of successful applications submitted through them plus trail commission they should complete the relevant box in Section 11c.

The introductory commission may be rebated by Financial Intermediaries and reinvested by them on behalf of their clients through an additional allotment of New Ordinary Shares (the rebate in each case may be in part or in whole in 25 per cent. increments).

If Financial Intermediaries choose to rebate introductory commission and have it reinvested in New Ordinary Shares on behalf of their client they should complete Section 11d as appropriate.

Financial Intermediaries will need to specify the percentage amount of introductory commission that they require to be rebated in Section 11d.

DELIVERY OF APPLICATION FORM

Send the completed Application Form together with your cheque or bankers' draft by post, or deliver it by hand (during normal business hours only), to Hargreave Hale Limited, 9-11 Neptune Court, Hallam Way, Blackpool, FY4 5LZ so as to be received no later than 12.00 p.m. on 5 April 2016 for investment in the 2015/16 tax year and no later than 12.00 p.m. on 16 November 2016 for investment in the 2016/17 tax year (unless the Offers are closed prior to that date).

If you post your Application Form you are recommended to use first class post and to allow at least two working days for delivery.

If you have any queries on the procedure for application and payment, you should contact Hargreave Hale Limited (telephone 0207 009 4937) or your normal financial adviser.

TERMS AND CONDITIONS OF THE ADVISER CHARGE AGREEMENT

For the avoidance of doubt, references to “you” in these Terms and Conditions of the Adviser Charge Agreement shall be construed as references to the Investor.

1. PAYMENT OF THE ADVISER CHARGES

- 1.1 The Companies will pay to your Financial Intermediary the Adviser Charge you have instructed it to pay.
- 1.2 The Adviser Charge is strictly a matter between you and your Financial Intermediary. Before instructing the Companies to pay an Adviser Charge on your behalf, you should first agree the following with your Financial Intermediary:
 - 1.2.1 you have received financial advice in relation to your application for New Ordinary Shares;
 - 1.2.2 the level of the Adviser Charge; and
 - 1.2.3 that your Financial Intermediary will accept payment through the Adviser Charge Agreement.
- 1.3 The Companies will only pay an Adviser Charge to your Financial Intermediary in respect of New Ordinary Shares subscribed by you in those Companies.
- 1.4 When the Companies pay the Adviser Charge to your Financial Intermediary, this is a payment that is made at your direction and on your behalf. The Adviser Charge is not a payment for any services provided by your Financial Intermediary to Hargreave Hale or the Companies.
- 1.5 The Adviser Charge is in addition to any charges specified in respect of your New Ordinary Shares.
- 1.6 The Adviser Charge is in addition to and separate from the Subscription.
- 1.7 The Companies will act only in accordance with your instruction in respect of the payment of Adviser Charge, except where the Companies expressly indicate otherwise in these Terms and Conditions of the Adviser Charge Agreement.
- 1.8 The Companies will act on the instructions of your Financial Intermediary only where your Financial Intermediary is asking the Companies to reduce or stop paying the Adviser Charge. The Companies will not extend or increase the Adviser Charge without your instruction.
- 1.9 If after reasonable efforts, the Companies or their agents have been unable to pay the Adviser Charge to your Financial Intermediary, the Companies will not pay the Adviser Charge and Hargreave Hale will notify you of this action.
- 1.10 The Companies will not pay interest to you or your Financial Intermediary for the non payment or late payment or on a refund of the Adviser Charge. The Companies will not pay the Adviser Charge in advance of your receiving a service from your Financial Intermediary.

2. RIGHTS TO STOP PAYMENT OF THE ADVISER CHARGE

- 2.1 In exceptional circumstances, the Companies (acting through their agent or otherwise) may stop the payment of all or part of the Adviser Charge and the Companies or their agent will endeavour to notify you as soon as possible of the action it has taken. These circumstances include the following:
- 2.1.1 if the Companies or their agent reasonably believes that the payment of the Adviser Charge would be in breach of any relevant laws or regulations; or
 - 2.1.2 if the Companies or their agent reasonably believes that your Financial Intermediary was not appropriately authorised by the Financial Conduct Authority or exempt from authorisation under the Financial Services and Markets Act 2000 or any replacement regulator at the time of providing you with advice or services in relation to your Companies; or
 - 2.1.3 if your Financial Intermediary ceases to trade; or
 - 2.1.4 if the Companies or their agent believes your Financial Intermediary may be insolvent; or
 - 2.1.5 if services to facilitate payment of Adviser Charges are terminated.

3. CHANGE OF FINANCIAL INTERMEDIARY

You should let Hargreave Hale know as soon as possible if you change your Financial Intermediary. In such circumstances, the Companies will continue to pay any outstanding Adviser Charges to your Financial Intermediary unless you advise Hargreave Hale otherwise. If you wish the Companies to pay the Adviser Charge to a new Financial Intermediary, you will need to contact Hargreave Hale to obtain a new Application Form. Hargreave Hale will only accept one Application Form for each new Financial Intermediary. Any such Application form will replace any existing adviser charge agreement which you have in place in relation to the Offers and the Companies will no longer facilitate the Adviser Charge to your previous Financial Intermediary. On a change of Financial Intermediary, Hargreave Hale and/or the Companies may provide details of the Adviser Charge paid under the Application Form to your new Financial Intermediary to the extent required to enable your new Financial Intermediary to provide you with advice and services in connection with your Shares and signing the Application Form is your consent to allow it to do so. **However, you may still be liable to pay the Adviser Charge to your previous Financial Intermediary under the terms of your agreement or arrangement with them.**

4. INFORMATION ABOUT THE CHARGES

- 4.1 Hargreave Hale will provide you with written confirmation after it sets up the arrangements to pay the Adviser Charge you have instructed it to pay to your Financial Intermediary or if, in accordance with these Terms and Conditions of the Adviser Charge Agreement, the Adviser Charge is varied or stopped.
- 4.2 Hargreave Hale may ask you to check the information that it provides to you and bring it to its attention if you believe there are any errors or omissions.

5. VALUE ADDED TAX (VAT)

All instructions from you to pay the Adviser Charge will be treated as including any VAT where it is applicable at the rate prevailing at the time of the payment of the Adviser Charge and taking into account any changes to the rate of VAT howsoever occurring.

6. THIRD PARTY RIGHTS

These Terms and Conditions of the Adviser Charge Agreement do not give any rights to any person other than you, the Companies and Hargreave Hale. No other person (including any Financial Intermediary) shall have any rights to rely on any of these Terms and Conditions. The Companies may amend or cancel these Terms and Conditions without reference to, or the consent of, any other person.

7. VARIATION

The Companies or their agent may change these Terms and Conditions of the Adviser Charge Agreement if it has a valid reason for doing so, by giving you 30 days' notice in writing in advance.

8. LAW

These Terms and Conditions of the Adviser Charge Agreement will be governed by and interpreted in accordance with the laws of England and Wales. The courts of England and Wales will have exclusive jurisdiction over any dispute arising from these Terms and Conditions of the Adviser Charge Agreement.
