1 Risk factors

Although the significant tax benefits available to Investors in Hargreave Hale AIM VCT reduce the risk of the investment, prospective investors should consider carefully the following risk factors. If any of the risks described below were to occur, it could have a material effect on the Company's business, financial condition or results of operations. The risks described below are those specific to the Company and all the material risks in respect of the Offer Shares. The value of the Offer Shares could decline due to any of the risk factors described below and prospective investors could lose part or all of their investment. This document does not constitute financial advice and prospective investors are recommended to consult an independent financial adviser authorised under the FSMA before deciding whether to apply for Offer Shares under the terms of the Offer.

Risks Relating to the Offer

- An investment into Hargreave Hale AIM VCT should be for a minimum of 5 years. A disposal of Offer Shares within 5 years of subscription may lead to HMRC clawing back the 30% income tax relief from those Investors.
- Since the value of a VCT depends on the performance of the underlying assets, prospective investors should be aware that the value of Offer Shares, and the income from them, may go down as well as up. An Investor may not get back the amount originally invested.
- Past performance of the Company and its investments is no indication of its future performance. The return received by Investors will be dependent on the performance of the underlying investments of the Company. The value of such investments, and interest income and dividends therefrom, may rise or fall.
- Whilst it is the intention of the Directors that the Company will be managed so as to continue to qualify as a VCT, there can be no guarantee that the status will be maintained. A failure to maintain the qualifying status could result in the Company losing the tax reliefs previously obtained, resulting in adverse tax consequences for Investors. Possible adverse consequences include: a requirement to repay the 30% income tax relief for those who have not held their shares for five years; loss of income tax relief on dividends paid (or subsequently payable) by the Company; loss of tax relief obtained in relation to corporation tax on capital gains made by the Company; a liability to capital gains tax on the disposal of Offer Shares; and the potential cancellation of the shares from the London Stock Exchange's Official List, which would require shareholder approval.
- Changes in legislation concerning VCTs in general, and Qualifying Investments and Qualifying Trades in particular, may restrict or adversely affect the ability of the Company to meet its objectives and/or reduce the level of returns which would otherwise have been achievable. The levels and basis of, and relief from, taxation are those available for the 2018/19 tax year and are subject to change. Such changes could be retrospective. Those shown in this document are based upon current legislation, practice and interpretation. The tax reliefs for future tax years are subject to change and Investors should seek their own tax advice appropriate to their individual circumstances.
- The Finance Act 2014 included a number of changes to the rules affecting VCTs. In particular, there is a restriction on income tax relief available on a subscription for shares in a VCT on or after 6 April 2014 where the subscription and sale are within six months of each other (regardless of whichever happens first), or either the subscription or sale of the shares was conditional on the other. The rules also apply where the subscription and sale are of shares in different VCTs but it was known between the subscription and the sale that the VCTs intended to merge. The amount on which income tax relief is available is reduced by the amount of the consideration given for the sale.
- The Finance (No.2) Act 2015 and Finance Act 2016 introduced changes to the VCT rules which have placed greater restrictions on the range of investments into which the Company can deploy funds. As a result the Company must generally invest in businesses which are less than seven years old and VCT funds cannot be used to finance acquisitions by investee companies. VCTs may now only invest in Qualifying Investments, shares listed on a European regulated market, certain money market securities and short-term deposits. The penalty for breaching these new rules is loss of VCT status, so the Company and its Investors may face a higher risk of the loss of tax benefits than under the previous rules.
- The Finance Act 2018 introduced a new "risk-to-capital" condition for Qualifying Investments, designed to focus investments towards earlier stage, growing businesses, and away from investments which could be regarded as lower risk. The Company may not make any prohibited Non-Qualifying Investments, including those which breach the "risk-to-capital" condition, and the potential penalty for contravention of these rules can include loss of VCT status with a resultant claw back of VCT tax reliefs from Investors. HMRC has stated that VCT status will not be withdrawn where an investment is ultimately found to be non-qualifying if, after taking reasonable steps including seeking advice, a VCT considers that an investment is qualifying. However, HMRC may require rectification of the breach, which may mean that the VCT is forced to dispose of the investment at a loss.
- A VCT is restricted from making a payment or distribution to shareholders from the capital it has raised. The restriction applies until the third anniversary of the end of the accounting period in which the share capital is issued. If the VCT infringes the restriction, it may have its approved status withdrawn. The

restriction does not apply to share capital issued before 6 April 2014, and does not limit the VCT's ability to pay dividends from realised profits or to redeem or repurchase shares or to distribute assets in the course of a winding up.

- The maximum annual amount that can be invested in an individual company per year is £5 million (£10 million for a 'knowledge intensive' company). This investment limit extends beyond VCTs and includes all other sources of State-aided risk capital. A breach of this limit may lead to HMRC withdrawing the Company's status as a VCT with potentially adverse tax consequences, including the claw back of the 30% income tax relief from those Investors who have not held their shares for five years.
- In April 2013, the FCA published a policy statement on payments to platform service providers and cash rebates from providers to consumers (PS 13/1). These rules came into force on 6 April 2014. The FCA has raised the possibility of applying similar restrictions on payments to non-platform service providers but has not published any firm proposals on this to date. If the FCA were to introduce rules restricting payments to non-platform firms, this could have an impact on the demand for shares in the Company.
- It is possible for Investors to lose their tax reliefs by themselves taking or not taking certain steps, and Investors are advised to take their own independent financial advice on the tax aspects of their investment.
- Although the Ordinary Shares are listed on the Official List and are admitted to trading on the London Stock Exchange, and the Offer Shares will be listed on the Official List and admitted to trading on the London Stock Exchange, it is likely that there may not be a liquid market in the Offer Shares and Shareholders may have difficulty in selling them, primarily because the initial income tax relief is only available to those subscribing for newly issued shares. The Ordinary Shares usually trade at a discount to the Net Asset Value of the Company. The Directors intend, subject to liquidity, the Listing Rules, the Prospectus Rules, the Act and VCT regulations, to pursue a policy of purchasing Shares in the market in order to facilitate liquidity for Shareholders and to manage the level of the discount to NAV at which the Shares may be trading. The Company endeavours to facilitate such sales at a price which represents a discount of no more than 5% to the last published NAV of the Company. However, the Directors reserve the right to suspend or amend the buy-back policy in certain circumstances.
- Where the European Commission believes that State Aid has been provided which is not in accordance with the Risk Finance Guidelines, they may require that the UK Government recovers that State Aid. There is currently no mechanism in place for this, but recovery may be from the investee company, the VCT or the VCT's investors.
- On 23 June 2016, the UK held a referendum in which voters approved an exit from the EU, commonly referred to as "Brexit". The British government is currently negotiating the terms of the UK's future relationship with the EU. It is unknown at this time what terms will emerge, whether changed regulatory control affecting VCTs will increase or decrease or how the eventual terms will affect positively or negatively the business model, business operations and financial results or impact sales demand, material and labour costs, availability and cost of finance for the Company or an underlying investee company.
- Investment in unquoted companies, by its nature, involves a higher degree of risk than investment in companies listed on the Official List. In particular, small companies often have limited product lines, markets or financial resources and may be dependent for their management on a small number of key individuals and may be more susceptible to political, exchange rate, taxation and other regulatory changes. In addition, the market for securities in smaller companies is usually less liquid than that for securities in larger companies, bringing with it potential difficulties in acquiring, valuing and disposing of such securities. Investment returns will, therefore, be uncertain and involve a higher degree of risk than investment in a company listed on the Official List.

Introduction

Hargreave Hale AIM VCT

Hargreave Hale AIM VCT is an established Venture Capital Trust that aims to make tax-free dividend distributions from capital gains and income generated through investment in existing and diversified portfolios of investments in small UK companies.

Although the VCT has primarily invested in Qualifying Companies that are listed on AIM, in recent years it has built, and will continue to build, a portfolio of Qualifying Investments in private companies. The Company will also make Non-Qualifying Investments in other equities, fixed income and the Marlborough Special Situations Fund.

Hargreave Hale AIM VCT was approved as a VCT by HMRC at launch in 2004. It has at all times satisfied the various tests required to maintain its status as a VCT. It is now proposed to launch a further fundraising exercise for up to £20m. On 23 March 2018 the Company completed its merger with Hargreave Hale AIM VCT 2, creating an entity with net assets of £154 million (unaudited as at 31 August 2018).

Highlights

- £112m raised since launch.
- £19.8m returned to shareholders through dividends.
- £16.6m returned to shareholders through share buy backs and tender offer.
- Net assets of £154m (unaudited as at 31 August 2018).
- 22 Qualifying Investments made in the last 12 months totalling £13.9m.
- Low ongoing expense ratio of approximately 2% pa.
- Further share offer to raise £20m for investment into an established portfolio.

% Invested in Qualifying Investments¹

(1) As at 31 August 2018.

The HMRC investment tests are set out in Chapter 3 of Part 6 Income Tax Act 2007. Funds raised by VCTs are first included in the investment tests from the start of the accounting period containing the third anniversary of the date on which the funds were raised. Therefore, the allocation of Qualifying Investments as defined by the legislation can be different to the portfolio weighting as measured by market value relative to the net assets of the Company.

4 Letter from the chairman

Dear Investor,

The Offer

I would like to start by welcoming any new shareholders who have joined us through the merger with Hargreave Hale AIM VCT 2 completed on 23 March 2018. Following the success of the last Offer in which £25m was raised alongside this merger, we are pleased to launch a new offer for subscription to raise £20m. The Offer will provide the Company with additional capital to invest in small British companies whilst allowing new and existing Investors to invest in small companies through a tax efficient structure with an award-winning fund management team.

The Offer will remain open until 12pm on 5 April 2019 for Investors seeking tax relief in the 2018/19 tax year and 12pm on 31 August 2019 for Investors seeking tax relief in the 2019/20 tax year, unless the Offer is fully subscribed at an earlier date.

Investment policy

The Company's investment objective is to make tax-free dividend distributions from capital gains and income generated through investment in a diversified portfolio of investments in small British companies.

The Company is predominantly invested in Qualifying Companies, most of which are listed on AIM. That will remain the case, although we continue to expand our investment into private companies in parallel to new investment into companies listed or seeking to list on AIM. At the time of writing, we hold investments in 83 Qualifying Companies, including investments in 8 private companies. It has been a busy year for new investment with 7 Qualifying Investments into new portfolio companies and a further 15 follow on Qualifying Investments into existing portfolio companies made in the 12 months to 31 August 2018.

There have been no changes in our approach to the non-qualifying portfolio and we continue to invest in a range of main market equities and the Marlborough Special Situations Fund. We do not currently hold any investments in fixed income securities, although the asset class remains available to the manager.

An enlarged team

The recent decision to expand our investment in private companies has introduced an array of exciting companies that were previously beyond the reach of the investment policy. The Board is conscious of the additional management time required to monitor the enlarged portfolio and support the more time intensive investment into private companies. To address this, we asked Hargreave Hale to expand the VCT fund management resource, and we are pleased to report it has recruited another experienced fund manager into the VCT team.

We have also expanded our non-executive team, and were delighted to welcome Ashton Bradbury to the Board on 14 May 2018. Ashton was previously Head of Equities at Old Mutual Global Investors and is an experienced fund manager. He brings with him a fresh approach, and skills and experience that are complementary to the existing non-executive team.

Tax benefits

Investors who pay income tax in the United Kingdom should be able to claim up to 30% income tax relief at the point of investment provided they pay sufficient income tax to offset against the claim for income tax relief and commit to holding their shares for at least 5 years. Other tax reliefs available to Investors include an exemption from income tax on any dividend distributions made by the VCTs and an exemption from capital gains tax on disposal of their shares. Investors should note that VCT investments are not loss allowable for the purposes of capital gains tax. Tax reliefs can be subject to change and are dependent on an individual's circumstances; we encourage Investors to consult their accountant or financial adviser and confirm their suitability before proceeding with an investment.

Annual report

The Company's annual report and accounts are made up to 30 September in each year and are normally published in December. The first annual report to be sent to Investors after the close of the Offer will be the audited annual accounts for the year ending 30 September 2019.

The life of the company

Although the Company is an 'evergreen' VCT, the Company's constitution provides that Shareholders should have a continuation vote every 5 years. This vote is currently scheduled to take place at the Company's annual general meeting in 2025, which is sufficient for the purposes of this Offer.

Prospectus

This Securities Note is one of three parts of the Prospectus. Please ensure you read the Summary and Registration Document in full before completing the Application Form attached to this document. These can be found on our website (www.hargreaveaimvcts.co.uk). If you would like to discuss the Offer further, please direct your enquiries to Hargreave Hale on 01253 754755, although no investment advice can be given.

Yours faithfully,

SIR AUBREY BROCKLEBANK Bt.

Chairman

Fertile ground for growth

What is a VCT?

Introduction

A Venture Capital Trust is a company, broadly similar to an investment trust, which has been approved by HMRC and which subscribes for shares in (or lends money to) small unquoted companies, including those traded on AIM. VCTs and their investors enjoy certain tax reliefs. In return for these tax reliefs, HMRC requires each VCT to comply with complex legislation that restricts the Company's investment activity to a tightly defined group of small UK companies.

Tax reliefs for VCT investors resident in the UK

The tax position of individual investors in VCTs is summarised below. Investors should take tax advice from a professional adviser ahead of their investment. The tax reliefs are restricted to a maximum investment of £200,000 in any single tax year.

Income tax

- **Relief from income tax on investment**
Investors who subscribe for new shares can claim income tax relief at the rate of 30% of their investment, subject to the £200,000 maximum or, if lower, that amount that reduces their income tax liability to nil.
Income tax relief is restricted if, within 6 months of the subscription for shares in a VCT (before or after), the investor has disposed of shares in that VCT. Investors who hold their VCT shares for less than 5 years may have to repay some or all of their 30% income tax relief.
- **Dividend tax relief**
Investors will not be liable for income tax on dividends paid by the VCT. Dividend tax relief can be claimed on VCT shares purchased through the secondary market as well as through a new share issue.
- **Withdrawal of relief**
Relief from income tax on a subscription for VCT shares will be withdrawn if the VCT shares are disposed of (other than between spouses or in the event of death) within five years of issue or if the VCT loses its approval within this period.

Example effect of initial income tax relief

Cost of Investment	100.0p
Cost of investment net of tax relief	70.0p
Initial Net Asset Value	96.5p
Initial Uplift	37.9%

Investors who hold their VCT shares for less than 5 years may have to repay some or all of their 30% initial income tax relief.

Capital gains tax

A disposal by an Investor of Offer Shares will give rise to neither a chargeable gain nor an allowable loss for the purposes of UK capital gains tax.

Capital gains tax relief can be claimed on VCT shares purchased through the secondary market.

Obtaining tax reliefs

Hargreave Hale AIM VCT will issue tax relief certificates to Investors. These can be used to claim income tax relief through an immediate adjustment to an Investor's tax coding from HMRC or through the end of year tax return.

Category of potential investors

VCTs are not suitable for every category of investor. The Offer is designed for individuals over 18 years of age who:

- pay UK income tax;
- can invest between £5,000 and £200,000 per tax year;
- can tolerate a high level of investment risk;
- can accept a minimum holding period of five years.

Before deciding whether to subscribe for Offer Shares, Investors are strongly encouraged to consult an independent adviser authorised under FSMA and to carefully consider the suitability of an investment into the Company in light of their personal circumstances.

VCTs' obligations

VCTs must:

- have 70% (by value) of all funds raised from the issue of shares invested in Qualifying Investments throughout accounting periods of the VCT beginning no later than three years after the date on which those shares are issued (80% for accounting periods beginning on or after 6 April 2019);
- have at least 70% by value of Qualifying Investments in Eligible Shares;
- (for accounting periods beginning on or after 6 April 2018) have at least 30% of all new funds raised by the Company invested in Qualifying Investments within 12 months of the end of the accounting period in which the Company issued the shares;
- have no more than 15% by value of its investments in a single company (by book cost at the date of investment);
- not retain more than 15% of its income derived from shares and securities in any accounting period.
- has a permanent UK establishment;
- will deploy the money raised for the purposes of a Qualifying Trade within 2 years;
- has less than 250 employees (or less than 500 employees in the case of certain knowledge-intensive businesses);
- has not been set up for the purpose of accessing tax reliefs or is in substance a financing business.

Approval as a VCT

A VCT must be approved at all times by HMRC.

A VCT cannot be approved unless the tests detailed above are met throughout the most recent complete accounting period of the VCT and HMRC is satisfied that they will be met in relation to the accounting period of the VCT which is current when the application is made.

The Directors intend to conduct the affairs of the Company so that it satisfies the conditions for approval as a VCT and that such approval will be maintained. HMRC has granted the Company approval under section 274 ITA as a VCT. The Company intends to comply with section 274 ITA and has retained Philip Hare & Associates LLP to advise it on VCT taxation matters.

VCTs must not:

- make an investment in any company that:
 - has (as a result of the investment) received more than £5 million from State Aid investment sources in the 12 months prior to the investment (£10 million for Knowledge Intensive Companies);
 - has (as a result of the investment) received more than £12 million from State Aid investment sources in its lifetime (or £20 million for Knowledge Intensive Companies);
 - has been generating commercial revenues for more than 7 years (or 10 years for Knowledge Intensive Companies);
 - will use the investment to fund an acquisition of another company (or its trade and assets).
- make any investment which is not a Qualifying Investment unless permitted by section 274 ITA.
- return capital to shareholders before the third anniversary of the end of the accounting period during which the subscription for shares occurs.

Withdrawal of approval

Approval of a VCT may be withdrawn by HMRC if the various tests set out above are not satisfied.

Withdrawal of approval generally has effect from the time when notice is given to the VCT but, in relation to capital gains of the VCT only, can be backdated to not earlier than the first day of the accounting period commencing immediately after the last accounting period of the VCT in which all of the tests were satisfied.

Qualifying investments

A Qualifying Investment consists of new shares or securities issued directly to the VCT by a Qualifying Company that at the point of investment:

- has gross assets of less than £15 million prior to investment and £16 million post investment;
- undertakes a Qualifying Trade;
- is a private company or is listed on AIM or NEX;
- has a permanent UK establishment;
- will deploy the money raised for the purposes of a Qualifying Trade within 2 years;
- has less than 250 employees (or less than 500 employees in the case of certain knowledge-intensive businesses);
- has not been set up for the purpose of accessing tax reliefs or is in substance a financing business.

The Finance Act 2018

The Finance Act 2018 introduced the following changes:-

- (a) the question of whether a company's activities or investments can be considered as lower risk so as to enable the company to qualify for VCT tax reliefs will be considered using a 'principles based approach' known as the 'risk-to-capital' condition. This condition has two parts, namely:-
 - whether the company has an objective to grow and develop over the long term; and

- whether there is a significant risk that there could be a loss of capital to the investor of an amount exceeding the net return.
- (b) applications for advance assurance will not be considered by HMRC unless the 'risk-to-capital' condition is met.
- (c) the annual limits for investment in Knowledge Intensive Companies is increased from £5 million to £10 million. Previously no investment could be made by a VCT in a company whose first commercial sale was more than 7 years (or 10 years in the case of a Knowledge Intensive Company). From 6 April 2018 Knowledge Intensive Companies may now elect for this period to commence from the date at which the company's annual turnover exceeds £200,000 rather than its first commercial sale.
- (d) for accounting periods beginning on or after 6 April 2019 a VCT will be required to have 80% of its total investments in VCT Qualifying Holdings (previously 70%).
- (e) for investments made after 5 April 2018 Qualifying Investments made by VCTs from funds raised before 6 April 2011 will be included in the requirement that at least 70% of Qualifying Holdings are in eligible shares.
- (f) the grandfathering of older VCT funds, permitting those funds to be invested in certain trades (such as hotels, nursing homes, shipbuilding, or coal or steel production) is removed.
- (g) a VCT must invest at least 30% of the funds raised in VCT Qualifying Holdings within 12 months of the end of the accounting period in which the shares are issued.

The above is only a summary of the conditions to be satisfied for a company to be treated as a VCT.

6 Policies and strategy

Investment objectives

The Company's investment objectives are:

- to invest in a diversified portfolio of small UK based Qualifying Companies on a high risk, medium term capital growth basis, primarily being companies which are traded on AIM and which have the opportunity for significant value appreciation;
- to invest in smaller companies which may not be readily accessible to private individuals and which also tend to be more risky;
- to maximise distributions to shareholders from capital gains and income generated from the Company's funds;
- targeted investment in equities which are Non-Qualifying Investments on an opportunistic basis; and
- to maintain the Company's exposure to small companies through an initial investment of new capital into the Marlborough Special Situations Fund pending investment into Qualifying Companies.

Investment strategy

The Investment Manager and the Company have adopted the following strategy to implement the investment policy of the Company (the full text of which is set out in the Registration Document):

Qualifying investments

The Investment Manager will primarily focus on investments in companies with a quotation on AIM. The Investment Manager will also invest in private companies or those planning to trade on AIM. The Investment Manager prefers to participate in secondary issues of companies with an established track record that can be more readily assessed and have greater disclosure of financial performance.

The Investment Manager will follow a stock specific investment approach and is more likely to provide growth and development capital than seed capital. Although VCTs are required to invest and maintain a minimum of 70% (80% for accounting periods beginning on or after 6 April 2019) of their funds invested in Qualifying Investments as measured by the VCT rules, it is likely that the Investment Manager will target a higher threshold of approximately 80% (85% for accounting periods beginning on or after 6 April 2019) in order to provide some element of protection against an inadvertent breach of the VCT rules.

In order to ensure compliance with tax legislation the Company's investment policy limits the Company's maximum exposure to a single Qualifying Investment or Non-Qualifying Investment to 15% of net assets (at book cost). However, the Investment Manager's preference for portfolio diversification means that Qualifying Investments typically vary from 1-3% of net assets at book cost and rarely exceed 5% of net assets at book cost.

Although the Investment Manager prefers to maintain successful investments for the long term, it actively manages its portfolio risk through partial disposals. In most instances, single company exposure is limited to approximately 5% of net assets at market value, although on occasion this may run higher.

Non-qualifying investments

The Company will have non-qualifying direct equity exposure to UK and international equities. This will vary between nil and 30% of the net assets of the Company and will reflect the Investment Manager's view of equity market risk. The Investment Manager will also invest in fixed income securities and cash.

Subject to a maximum of 20% of the gross assets of the Company, the Investment Manager will invest up to 75% of the net proceeds of the Offer into the Marlborough Special Situations Fund to maintain the portfolio exposure to small companies whilst the Investment Manager identifies opportunities to invest directly into small UK companies through a suitable number of Qualifying Investments.

Risk management

The structure of the Company's investment portfolios and their investment strategies have been developed to mitigate risk where possible.

The Company has a broad portfolio of investments to reduce stock specific risk.

Flexible allocations to non-qualifying equities, the Marlborough Special Situations Fund, fixed interest securities and bank deposits allow the Investment Manager to adjust portfolio risk without compromising liquidity.

Regular company meetings aid the close monitoring of investments to identify potential risks and allow corrective action where possible.

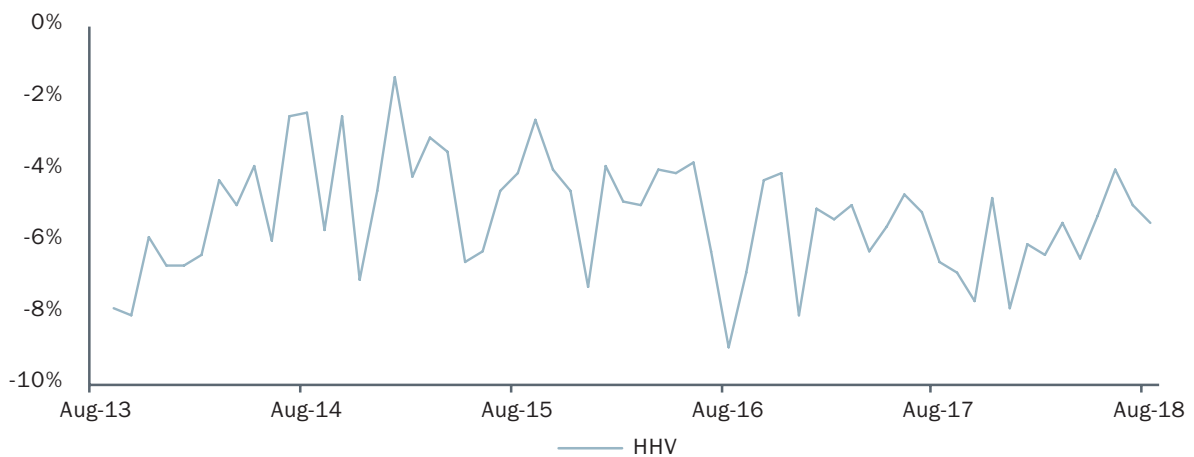

Regular board meetings and dialogue with the Directors, along with policies to control conflicts of interests and co-investment with the Marlborough fund mandates, support strong governance.

Share buy-back history and management of share liquidity

In order to improve the liquidity in the Ordinary Shares, the Board has established a share buy-back policy whereby the Company will purchase Ordinary Shares for cancellation.

The Company targets a 5% discount to the Net Asset Value per share to improve Shareholder returns, and has achieved a 5 year average share price discount on share buy-backs of 5.6% to the Net Asset Value per share. Share buy-backs are subject to the Act, the Listing Rules and tax legislation, which may restrict the Company's ability to buy Shares back. The policy is non-binding and at the discretion of the Board.

Dividends

Dividend policy

The Company has established a dividend policy that targets a tax free dividend yield equivalent to 5% of the year end Net Asset Value.

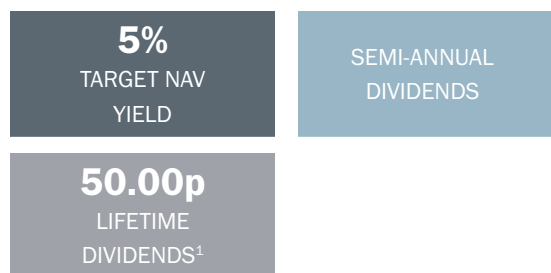

- Established track record
- Semi-annual distributions
- Distributions will vary with investment performance

The ability to pay dividends is also dependent on the Company's available reserves and cash resources, the Act and the Listing Rules. The policy is non-binding and at the discretion of the Board. Dividend payments may vary from year to year in both quantum and timing. In good years, the Directors may consider a higher dividend payment; in poor years, the Directors may reduce or even pay no dividend.

The table above illustrates the effect of the income tax exemption on dividends from a VCT and what an Investor would need to earn on a gross basis from both bank interest and taxable investment income to achieve the same equivalent net yield from a dividend distribution by a VCT. The yields are calculated with reference to the cost of investment net of the initial 30% income tax relief and assume no personal allowance or dividend allowance.

4.2.8 Borrowing powers

7. The City Code

7.1 Mandatory takeover bids

The City Code on Takeovers and Mergers (the "Code") applies to all takeover and merger transactions in relation to the Company, and operates principally to ensure that shareholders are treated fairly and are not denied an opportunity to decide on the merits of a takeover, and that shareholders of the same class are afforded equivalent treatment. The Code provides an orderly framework within which takeovers are conducted and the Panel on Takeovers and Mergers has now been placed on a statutory footing. The Takeovers Directive was implemented in the UK in May 2006 and since 6 April 2007 has effect through the Act. The Directive applies, inter alia, to takeovers of companies which have their securities admitted to trading on a regulated market in the EU or EEA.

The Code is based upon a number of general principles which are essentially statements of standards of commercial behaviour. general principle One states that all holders of securities of an offeree company of the same class must be afforded equivalent treatment and if a person acquires control of a company the other holders of securities must be protected. This is reinforced by Rule 9 of the Code which requires a person, together with persons acting in concert with him, who acquires shares carrying voting rights which amount to 30% or more of the voting rights to make a general offer. "Voting rights" for these purposes means all the voting rights attributable to the share capital of a company which are currently exercisable at a general meeting. A general offer will also be required where a person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights, acquires additional shares which increase their percentage of the voting rights. Unless the Panel consents, the offer must be made to all other shareholders, be in cash (or have a cash alternative) and cannot be conditional on anything other than the securing of acceptances which will result in the offeror and persons acting in concert with them holding shares carrying more than 50% of the voting rights.

There are not in existence any current mandatory takeover bids in relation to the Company.

7.2 Squeeze out

Section 979 of the Act provides that if, within certain time limits, an offer is made for the share capital of the Company, the offeror is entitled to acquire compulsorily any remaining shares if it has, by virtue of acceptances of the offer, acquired or unconditionally contracted to acquire not less than 90% in value of the shares to which the offer relates and in a case where the shares to which the offer relates are voting shares, not less than 90%, of the voting rights carried by those shares. The offeror would effect the compulsory acquisition by sending a notice to outstanding shareholders telling them that it will compulsorily acquire their shares and then, six weeks from the date of the notice, pay the consideration for the shares to the Company to hold on trust for the outstanding shareholders. The consideration offered to shareholders whose shares are compulsorily acquired under the Act must, in general, be the same as the consideration available under the takeover offer.

7.3 Sell out

Section 983 of the Act permits a minority shareholder to require an offeror to acquire its shares if the offeror has acquired or contracted to acquire shares in either Company which amount to not less than 90%, in value of all the voting shares in the Company and carry not less than 90%, of the voting rights. Certain time limits apply to this entitlement. If a shareholder exercises its rights under these provisions, the offeror is bound to acquire those shares on the terms of the offer or on such other terms as may be agreed.

- (l) In the event that applications are received for an amount in excess of the Maximum Subscription, the Directors reserve the right to exercise their discretion in the allocation of successful applications although the allocation will usually be on a first come first served basis. The right is also reserved to reject in whole or in part any application or any part thereof and to treat as valid any application not in all respects completed in accordance with the instructions relating to the Application Form.

References in these instructions to sections are references to sections of the Application Form.

Section 1: Personal details

Insert your full name, address, date of birth, country/place of birth, nationality, email address and telephone number in block capitals in section 1. No joint applications are permitted.

Applications may only be made by persons aged 18 or over.

Section 2: Tax residency

The UK Government requires the financial services industry to collect and review details of financial accounts and assets held by persons that have tax residency in jurisdictions other than the UK. This information is reported to HMRC for onward transmission under the exchange of information articles contained within the various treaties and conventions the UK is party to.

Investors are required to list all countries in which they are resident for tax purposes in section 2. Investors should include the relevant tax reference number, which is often referred to as a Tax Information Number (TIN).

A US citizen is a person who is (a) born in the United States, (b) naturalised as a US citizen or (c) has a parent who is a US citizen. Further, a person can be deemed a 'tax resident' of the United States by virtue of the 'substantial presence test' or if they hold a 'green card'.

Section 3: Alternate address

Please complete section 3 if you wish to have your share and income tax relief certificates sent to an address which differs from that identified in section 1.

Section 4: Registration details

Any Offer Shares allotted to you will be in a registered form capable of being transferred by means of the CREST system. Investors who wish to take advantage of the ability to trade in Offer Shares in uncertificated form, and who have access to a CREST account, may arrange to have their shares allotted directly to their CREST account, or subsequently to convert their holdings into dematerialised form in CREST. Investors should be aware that Offer Shares delivered in certificated form are likely to incur higher dealing costs when sold than those in respect of Offer Shares held in CREST. The Company's share register will be kept by Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA. Shares issued close to the end of the tax year may need to be issued in certificated form to allow the investment to be made within the required tax year.

Section 5: Financial advice

Please indicate whether you have received financial advice in connection with your application for Offer Shares. If you have received financial advice please complete this section and ask your Financial Intermediary to complete section 16.

Section 6: Application amounts

Insert the sums you are subscribing for in section 6. The minimum subscription per Investor is £5,000 in respect of the Offer. Applications in respect of less than £5,000 in aggregate will not be accepted.

Section 7: Adviser charges

Commission cannot be paid to financial intermediaries in respect of advised sales of retail investment products sold to retail investors in the UK. Therefore if your Financial Intermediary provides you with advice in respect of this application for Offer Shares, neither Hargreave Hale nor the Company will pay commission to your Financial Intermediary. Instead, your Financial Intermediary will need to agree an Adviser Charge with you which you will be responsible for paying. The Company can, however, facilitate the payment of an Adviser Charge on your behalf so that you do not have to make a separate payment to your Financial Intermediary. The remuneration will be an Adviser Charge for advice provided to you in relation to the Company and this charge will be withdrawn from the funds the Company receive from you. This is what is meant by facilitating the payment of this charge from the Company and the facilitation service is subject to the terms and conditions

set out in the Terms and Conditions of the Adviser Charge Agreement. You will need to discuss and agree the amount and method of paying any Adviser Charge with your Financial Intermediary.

The Adviser Charge is treated separately to your investment and will not attract any income tax relief. By way of example, you can apply to make an investment of £10,000 (Box A in section 6) and pay an Adviser Charge of £200 (Box B in section 7), which will require a cheque from you for £10,200 (Box C in section 8).

Alternatively, you can submit a cheque for £10,000 (Box C in section 8), of which £9,800 (Box A in section 6) will be invested in new Offer Shares (and therefore attract income tax relief) and £200 (Box B in section 7) will be paid to your Financial Intermediary as an Adviser Charge.

Payments of Adviser Charges on behalf of Investors will be paid by the Company only in respect of the amount stated in Box B in section 7. The Terms and Conditions of the Adviser Charge Agreement will apply. In addition, no payment will be made by the Company unless the relevant application is successful and the Company are in receipt of sufficient cleared funds from Investors in the amount set out in Box C in section 8 (which must comprise an aggregate of the amounts set out in Box A and Box B in sections 6 and 7).

If you require Hargreave Hale to facilitate the payment of any such Adviser Charge on your behalf please complete the third box in this section 7 and specify the amount (in pounds sterling) of the Adviser Charge that you require the Company to pay on your behalf in Box B in this section 7. The Terms and Conditions of the Adviser Charge Agreement will apply and, by completing the third Box of section 7 and signing the Application Form you are agreeing to the Terms and Conditions of the Adviser Charge Agreement. You will also need to ask your Financial Intermediary to complete the relevant parts of section 16.

Please note that the Adviser Charge that you are instructing Hargreave Hale to pay should relate to such advice or services provided to you by your Financial Intermediary in connection with the Company only. Hargreave Hale will only accept instructions from you to facilitate the payment of the Adviser Charge from the Company to your Financial Intermediary by using the Application Form unless it agrees otherwise at its absolute discretion.

The Terms and Conditions of the Adviser Charge Agreement are set out in pages 50 and 51 and are important. You should take time to read them before you sign and complete section 15 of the Application Form. If you are uncertain about any aspect of the Terms and Conditions of the Adviser Charge Agreement or how to complete the Application Form, you should discuss this with your Financial Intermediary or any other professional adviser acting on your behalf.

Section 8: Final consideration

The total amount payable by you will be the aggregate of the amounts set out in Box A in section 6 and (if applicable) the amounts set out in Box B in section 7. Please complete this total amount in pounds sterling in Box C in section 8. Payment by you must be in respect of this amount.

Section 9: Payment options

Your cheque or bankers' draft must be payable to "HH VCT Offer Account" and should be crossed "A/C Payee". Receipt of your application will be acknowledged within 3 working days of Hargreave Hale receiving the Application Form and the applicable funds. Your cheque or bankers' draft must be drawn in sterling on an account at a bank, and must bear the appropriate sort code number in the top right hand corner. Hargreave Hale reserves the right to reject any application. Please quote your surname as a reference when making any electronic payment.

Money laundering regulations

It is a term of the Offer that, to ensure compliance with the Money Laundering Regulations, Hargreave Hale may at their absolute discretion require verification of identity from any person lodging an Application Form in an amount greater than £10,000 (or if the sum of all submitted applications exceed that amount).

If within a reasonable period of time following a request for verification of identity, and in any case by no later than 12.00 p.m. on the relevant date of allotment, Hargreave Hale has not received evidence satisfactory to them as aforesaid, the Company with the agreement of Hargreave Hale may, at their absolute discretion, reject any such application in which event the remittance submitted in respect of that application will be returned to the applicant (without prejudice to the rights of the Company to undertake proceedings to recover any loss suffered by them as a result of the failure to produce satisfactory evidence of identity). Hargreave Hale reserves the right to undertake electronic checks on applicants.

Applicants should make payment by their own cheque, banker's draft or by electronic transfer. Third party payments will not be accepted.

This information is provided by way of guidance to reduce the likelihood of difficulties, delays and potential rejection of an Application Form (but without limiting Hargreave Hale's right to require verification of identity as indicated above).

By ticking the relevant box(es), you can positively identify to Hargreave Hale which information they can share with the third party identified in this section. The information that can be shared will fall into one of 4 categories: (a) correspondence confirming the receipt of your Application Form; (b) Shareholder Information (see Definitions) regarding this investment in the Company; (c) Shareholder Information regarding any previous investments in the Company and (d) copies of your shareholder and tax relief certificates.

Section 15: Declaration /signature

Please sign and date the Application Form in section 15. The Application Form may be signed by someone else on your behalf, if duly authorised by power of attorney to do so. Any power of attorney pursuant to which the Application Form is signed (or a duly certified copy thereof) must be enclosed for inspection.

Section 16: Authorised financial intermediaries

Financial Intermediaries who wish to receive payment for applications from the Company in accordance with this section should complete section 16a and stamp it, giving their full name and address, telephone number and FCA number. Financial Intermediaries will also need to arrange for signature by an authorised signatory at section 16g to confirm that (i) the information provided by the Financial Intermediary is correct (ii) it acknowledges and agrees to the Terms and

Conditions of the Adviser Charge Agreement (to the extent applicable) and (iii) if applicable, it agrees to the rebate of commission as indicated by it at section 16d of the Application Form.

The right is reserved to withhold payment to any Financial Intermediary if Hargreave Hale is not, in its sole discretion, satisfied that the agent is so authorised.

Intermediaries should keep a record of Application Forms submitted bearing their stamp to substantiate any claim for payment. Claims for payment must be made and substantiated on submission of an Application Form.

Adviser charges

If an Investor's Financial Intermediary provides him with advice in respect of this investment in Offer Shares, the Investor may have agreed to pay an Adviser Charge to such Financial Intermediary, which the Investor will be responsible for paying. Where applicable, Financial Intermediaries should complete the second box in this section 16b. The Company may facilitate the payment of an Adviser Charge by paying it direct to authorised Financial Intermediaries on behalf of Investors. The remuneration will be an Adviser Charge for advice provided to the Investor in relation to the Company and this charge will be withdrawn from the funds the Company receive from the Investor. This is what is meant by facilitating the payment of this charge from the Company and the facilitation service is subject to the Terms and Conditions of the Adviser Charge Agreement. Further details are set out in section 7.

Commission

If no advice has been provided by a Financial Intermediary to an Investor in respect of his application for Offer Shares, then authorised Financial Intermediaries should complete the first box in section 16b.

If this applies, Hargreave Hale is offering to pay introductory commission to authorised Financial Intermediaries at the rate of 1% on the value of successful applications submitted through them or introductory commission of 0.5% plus trail commission (as agreed between the intermediary and Hargreave Hale). Introductory commission will only be paid in respect of successful applications and only on the amounts set out in Box A in section 6.

If Financial Intermediaries choose to receive introductory commission at the rate of 1% on the value of successful applications submitted through them they should complete the relevant box in section 16c.

If Financial Intermediaries choose to receive introductory commission at the rate of 0.5% on the value of successful applications submitted through them plus trail commission they should complete the relevant box in section 16c.

The introductory commission may be rebated by Financial Intermediaries and reinvested by them on behalf of their clients through additional Offer Shares (the rebate in each case may be in part or in whole in 25 per cent. increments).

If Financial Intermediaries choose to rebate introductory commission in the form of additional shares for the Investor they should complete section 16d as appropriate.

Financial Intermediaries will need to specify the percentage amount of introductory commission that they require to be rebated in section 16d.

Terms and conditions of the adviser charge agreement

For the avoidance of doubt, references to “you” in these Terms and Conditions of the Adviser Charge Agreement shall be construed as references to the Investor.

1. Payment of the adviser charges

- 1.1 The Company will pay to your Financial Intermediary the Adviser Charge you have instructed it to pay following the allotment of your Shares.
- 1.2 The Adviser Charge is strictly a matter between you and your Financial Intermediary. Before instructing the Company to pay an Adviser Charge on your behalf, you should first agree the following with your Financial Intermediary:
 - 1.2.1 you have received financial advice in relation to your application for Offer Shares;
 - 1.2.2 the level of the Adviser Charge; and
 - 1.2.3 that your Financial Intermediary will accept payment through the Adviser Charge Agreement.
- 1.3 The Company will only pay an Adviser Charge to your Financial Intermediary in respect of Offer Shares subscribed by you in the Company.
- 1.4 When the Company pay the Adviser Charge to your Financial Intermediary, this is a payment that is made at your direction and on your behalf. The Adviser Charge is not a payment for any services provided by your Financial Intermediary to Hargreave Hale or the Company.
- 1.5 The Adviser Charge is in addition to any charges specified in respect of your Offer Shares.
- 1.6 The Adviser Charge is in addition to and separate from the Subscription.
- 1.7 The Company will act only in accordance with your instruction in respect of the payment of Adviser Charge, except where the Company expressly indicates otherwise in these Terms and Conditions of the Adviser Charge Agreement.
- 1.8 The Company will act on the instructions of your Financial Intermediary only where your Financial Intermediary is asking the Company to reduce or stop paying the Adviser Charge. The Company will not extend or increase the Adviser Charge without your instruction.
- 1.9 If after reasonable efforts, the Company or their agents have been unable to pay the Adviser Charge to your Financial Intermediary, the Company will not pay the Adviser Charge and Hargreave Hale will notify you of this action.
- 1.10 The Company will not pay interest to you or your Financial Intermediary for the non payment or late payment or on a refund of the Adviser Charge. The Company will not pay the Adviser Charge in advance of you receiving a service from your Financial Intermediary.

2. Rights to stop payment of the adviser charge

- 2.1 In exceptional circumstances, the Company (acting through their agent or otherwise) may stop the payment of all or part of the Adviser Charge and the Company or their agent will endeavour to notify you as soon as possible of the action it has taken. These circumstances include the following:
 - 2.1.1 if the Company or their agent reasonably believes that the payment of the Adviser Charge would be in breach of any relevant laws or regulations; or
 - 2.1.2 if the Company or their agent reasonably believes that your Financial Intermediary was not appropriately authorised by the Financial Conduct Authority or exempt from authorisation under the Financial Services and Markets Act 2000 or any replacement regulator at the time of providing you with advice or services in relation to your Companies; or
 - 2.1.3 if your Financial Intermediary ceases to trade; or
 - 2.1.4 if the Company or their agent believes your Financial Intermediary may be insolvent; or
 - 2.1.5 if services to facilitate payment of Adviser Charges are terminated.

3. Change of financial intermediary

You should let Hargreave Hale know as soon as possible if you change your Financial Intermediary. In such circumstances, the Company will continue to pay any outstanding Adviser Charges to your Financial Intermediary unless you advise Hargreave Hale otherwise. If you wish the Company to pay the Adviser Charge to a new Financial Intermediary, you will need to contact Hargreave Hale to obtain a new Application Form. Hargreave Hale will only accept one Application Form for each new Financial Intermediary. Any such Application form will replace any existing adviser charge agreement which you have in place in relation to the Offer and the Company will no longer facilitate the Adviser Charge to your previous Financial Intermediary. On a change of Financial Intermediary, Hargreave Hale and/or the Company may provide details of the Adviser Charge paid under the Application Form to your new Financial Intermediary to the extent required to enable your new Financial Intermediary to provide you with advice and services in connection with your Shares and signing the Application Form is your consent to allow it to do so. However, you may still be liable to pay the Adviser Charge to your previous Financial Intermediary under the terms of your agreement or arrangement with them.

4. Information about the charges

Hargreave Hale may ask you to check the information that it provides to you and bring any errors or omissions to its attention.

5. Value added tax (VAT)

All instructions from you to pay the Adviser Charge will be treated as including any VAT where it is applicable at the rate prevailing at the time of the payment of the Adviser Charge and taking into account any changes to the rate of VAT howsoever occurring.

6. Third party rights

These Terms and Conditions of the Adviser Charge Agreement do not give any rights to any person other than you, the Company and Hargreave Hale. No other person (including any Financial Intermediary) shall have any rights to rely on any of these Terms and Conditions. The Company may amend or cancel these Terms and Conditions without reference to, or the consent of, any other person.

7. Variation

The Company or their agent may change these Terms and Conditions of the Adviser Charge Agreement if it has a valid reason for doing so, by giving you 30 days' notice in writing in advance.

8. Law

These Terms and Conditions of the Adviser Charge Agreement will be governed by and interpreted in accordance with the laws of England and Wales. The courts of England and Wales will have exclusive jurisdiction over any dispute arising from these Terms and Conditions of the Adviser Charge Agreement.
